Not shown on the grid: monthly Cafecito & Networking (2nd Friday, 8:30-9:30am, La Sierra Cafe); several ongoing multi-week trainings (Programa de Emprendimiento, SBDC On-Demand, WBC Trainings) that run continuously rather than on one date; and #LatinaGeeks Day celebrations in Los Angeles and Silicon Valley (also July 10), which are outside the San Diego region this calendar covers.

Some listings (e.g. NLBWA SD Summer Wellness venue) are marked TBD on the source site — confirm details before attending.
